Recreation Center to Open February 1

Reach Your New Year's Goal of Better Health and Fitness

47,000 square feet of fitness, fun, friendship and learning opens to Wylie residents and our neighbors from surrounding cities on February 1. From the 40 x 28 foot climbing wall to the cardio mezzanine to the walking/jogging track to the vast gym area to the strength training center to the aerobics/dance studio--there is a broad range of activities for every member of the family.

The Recreation Center boasts over 35 pieces of PRECOR cardio equipment ranging from treadmills to elliptical trainers to the interactive Trixter X-Dream bikes (only city operated recreation center in Texas to offer these). Many of the pieces are even equipped with personal TV's. Members will find a complete circuit of Precor C-Line machines, dumbbells, a Smith Machine and the versatile Functional Trainer.

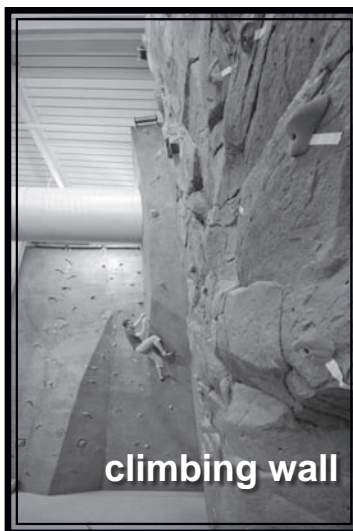

Classes for all interests and ages will be on the schedule in the aerobics/dance studio, including Zumba, karate, ballroom dance, spin, pilates, yoga and much more. More than twenty classes led

by qualified instructors have already been scheduled.

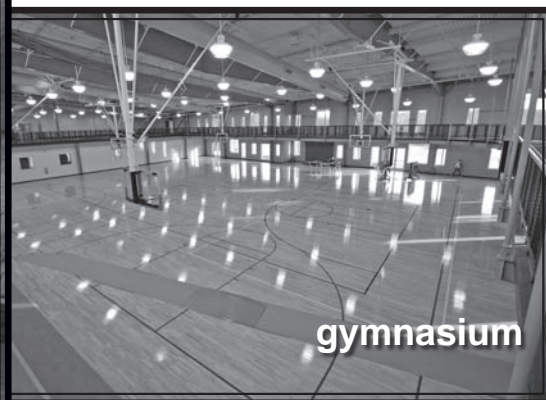

Looking to work out your artistic side? Innovative, creative classes for arts, crafts, painting and music are in the works.

The Recreation Center also offers spacious rooms available for events, celebrations and community happenings. A restaurant quality kitchen will ensure your guests are well fed.

The Recreation Center staff looks forward to meeting you at one of our open houses scheduled January 22 - 30. Come tour the facility, take a look at the beautiful architecture, ask questions, and sign up for your Recreation Center pass.

Citizens filled the seats for the first Council Meeting in the new City Hall on January 11

New City Hall Officially “Open for Business”

City Hall opened for business promptly at 8 am on January 10 ready to serve the citizens of Wylie. The new building consolidates the majority of city services to one location enabling staff to better serve our customers, the citizens of Wylie. Several departments previously working out of temporary, portable buildings, now have a permanent home.

The first floor of City Hall, located at 300 Country Club road, is home to Utility Billing, the City Secretary’s Office, Finance, the City Manager’s Office and the City Council Chamber. On the second floor residents will find Building Inspections, Code Enforcement, Planning & Zoning and Engineering. Applying for a job, go to the third floor, home to Human Resources and Public Services (Parks & Recreation Division and Public Works Division). An after hours utility bill drop box is located to the right of the front doors of City Hall. Daily hours of operation are 8 am-5 pm, Monday-Friday.

Wylie Fire Rescue will leave their temporary location and join the Police Department at the previous City Hall location of 2000 Highway 78 North, forming Wylie’s Public Safety building.

New Telephone Numbers

Fun & Learning

Library Closed to Public January and February Online Library Available For Patrons

The Rita & Truett Smith Public Library’s new 44,000 sq. ft. home is nearing completion and will be ready to serve patrons in early March 2011. In preparation for the move, the Library is closed January and February. The last day to check out books was December 30.

The doors may be closed but patrons can still take advantage of our free online library loaded with ebooks. Go to [wylietexas.gov>departments>library](http://wylietexas.gov/departments/library) to download audio books using Mylibrary; read-a-long books using Tumblereadables; and browse ebooks using NetLibrary.

The library staff looks forward to serving and meeting you at our new location of 300 Country Club Road. Call 972-442-7566 or email libinfo@wylietexas.gov if you have questions about the new location or need assistance using the online library.

City Staff Facilitates Move

The job description of “Mover” was recently added to all City employees. With no downtime in service and minimal overtime, staff from all departments were able to pack and move from five locations more than 900 boxes and totes, approximately 50 computers, shelving, refrigerators and other items.
